### Mission

To build a circular economy by promoting collaborative partnership among business corporations and recycling industries, inspiring corporate social responsibility, and encouraging waste reuse, recovery and recycling to bring waste resources back to the consumption loop

### Objective

The objectives of “Friends of EcoPark” Scheme are:

- To raise public awareness of waste reduction and recovery through collaborative efforts demonstrated by the recycling businesses and the private sectors
- To provide a free and effective platform for motivating partnership initiatives among the recycling businesses in EcoPark and other companies/ organizations;
- To recognise companies/ organizations which contribute to betterment of the environment;

### Who can nominate

All nominations must be endorsed by at least one tenant in EcoPark. Self-nomination will NOT be accepted (except government departments).

### Selection Committee

EPD and SGJV members form the selection committee team. The team assesses the nominations based on the judging criteria, and awards each successful nominee accordingly.

### Adjudication Scopes

---

#### Waste Reduction

1. Company/ organization with proper waste management and adopt reduce, reuse and recycle polices (e.g., reduce paper use and encourage waste recycling)

---

#### Waste Recycling

1. Company/ organization that partners with tenants in EcoPark through constant provision of waste sources
2. Offers continuous assistance to tenants in EcoPark in collection, processing and production
3. Support regular use of recycled products manufactured by tenants in EcoPark

---

#### Caring for the environment

1. Company/ organization that adopt manufacturing or daily operational processes with minimal harm to the environment :
    - Use of recycled/ recyclable or environmentally-friendly materials
    - Use of recycled/ recyclable literature and packaging
  2. Being awarded green certification(s)  
(e.g., ISO 9001:2008, ISO14001:2004 and OHSAS 18001:2007 accreditations etc.)
